DRAW PIGGIE IN 6 STEPS!

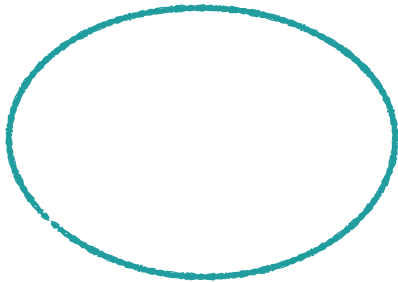

Kennedy Center Education Artist-in-Residence at Home

If you know how to draw shapes and write your name, you are ready to draw Piggie!

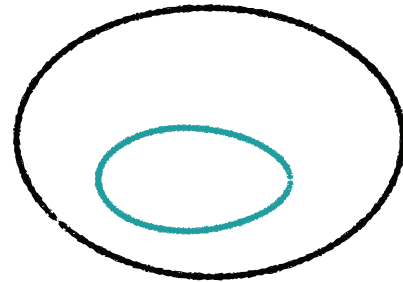

That's because drawing is just a bunch of shapes and letters put together in the right order. Let's try it!

1

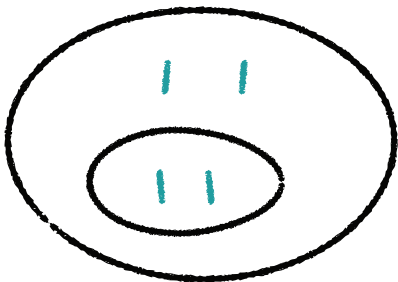

First, draw a big Mo-val.
(A Mo-val is a circle that looks like an egg).

2

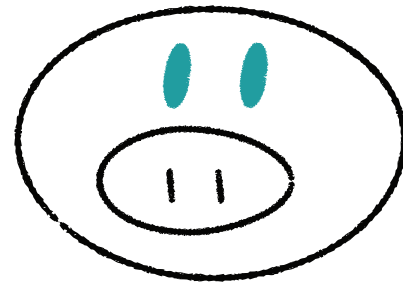

Inside the Mo-val, draw a smaller Mo-val.

3

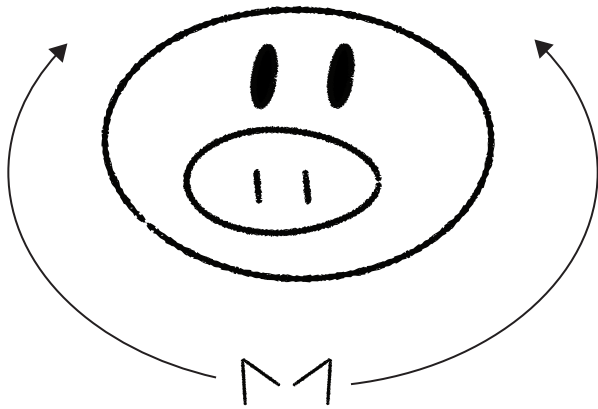

Draw the number **11** twice.

4

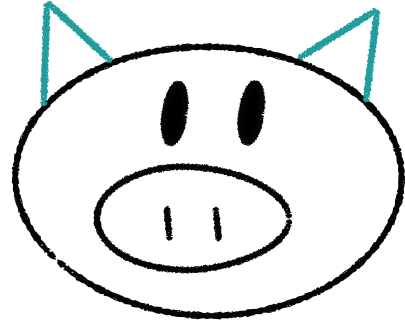

Make the top number **11** bigger,
(like inflating a balloon).

5

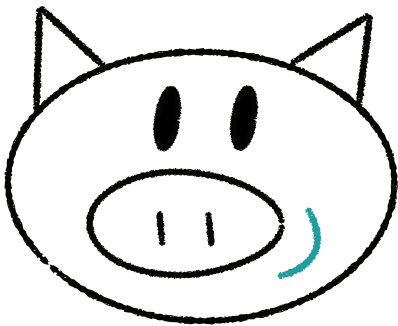

Take the letter **M** and cut it in half.

Place each half on either side for Piggie's ears.

6

Draw a backwards **C** for Piggie's mouth.

FINISHED!

What a great job! Don't forget to sign your name so everyone can see what a great job **YOU** did drawing Piggie!
